Amendment to the Miniature Machine Corp Materials License No. - ²⁷⁻42-23914-01E, Docket No. - 030-36567

Dr. Struckmeyer,

In our previous communications, you indicated that you could proceed with the basics of amending the license to change the address with a letter of request only. I also understand the need to have a valid operating license from the State of Nevada with an amended address change for those operations. All documentation has been prepared and I am awaiting a signed Letter of Consent from the new landlord to obtain the amendment for the State of Nevada (03-11-0546-01) license.

Therefore, in accordance with our conversation, please amend License No. 42-23850-02E to change the address of distribution from:

2900 S Highland Drive
Suite 18B
Las Vegas, NV 89109-1091,

to

4430 Mitchell Street
North Las Vegas, NV 89081

As soon as I have submitted the address change package to the State of Nevada, I will notify you via email. In addition, I will have Larry give you a call as soon as the state has addressed the amendment. I will either (or both) email you a copy of the amended State of Nevada license and/or FedEx you a copy.

Please call me immediately if you have any problems, questions, concerns, or issues...or if you don't. Thanks so much for your time.

Sincerely,

Dixie Wells-O'Dou, RWI
