Mr. McIntyre,

I hope this e-mail finds you doing well. Thank you very much for your time and assistance with the Entergy Vermont Yankee uprate story.

I appreciate your time and assistance with setting me up to speak with Mr. Shuaibi and confirming and supplying information to put the story together within such a short time-frame.

Attached is the copy of a Natural Gas Week. The story on the Entergy Nuclear uprate issue is on page 10. Questions and comments are welcome to help ensure better coverage in the future.

I look forward to hearing good things, and hope we can speak again in the future. Feel free to keep me posted on the progress of this issue. Please send my appreciation to Mr. Shuaibi as well.

Respectfully,

Suzanna
