Subject: Re: EA for WCS disposal

Ted,

The Connecticut Department of Environmental Protection has one comment on this EA. The agency will be expecting compliance with section 22a-174-18 (b) (3) (c) of the State of Connecticut's Air Pollution Prevention Regulations.

This is the regulation pertaining to truck idling.

Mike,

Attached is the draft EA for alternate disposal of CY buildign debris material to WCS. Please comment within 30 days, if possbile. Thanks,

Ted
