Dr. Tai stated that they were having trouble locating the manufacturer of the gas chromatograph since the unit was obsolete and was not functioning. I provided Dr. Tai with the current contact for the manufacturer, Carlton Lorfing, RSO at 512-251-1400 and the address. Prior to sending in the application for renewal or termination of the license, he should consult with Mr. Lorfing and determine the time frame needed to receive the packaging necessary to transport the ECD, send the ECD to Thermo Finnigan, and to receive documentation showing that the ECD was received by Thermo Finnigan. Dr. Tai agreed to follow through with the transfer of the ECD.</td> </tr> </table>			Summary:	I contacted Dr. Tai to determine whether the licensee had transferred the single gas chromatograph so that the process for termination could be started.
