Dear FOIA Officer,

Please consider this a request under the provisions of the Freedom of Information Act. I would like to request a copy of a case report from the NRC Office of Investigations. Specifically, I would like a copy of the case report from OI Case 2-2004-049.

This request is for use in a news story that would inform the public about the operations of the Nuclear Regulatory Commission. Therefore, I request you waive fees under the FOIA law. If fees are not waived, please advise me of the cost in advance if it is greater than \$75. If it is \$75 or less, please fill my request without informing me in advance.

If possible, please respond to this request by email or telephone. If my request is approved, I can provide a Fedex number for delivery. Here is my address, email and phone numbers: John Sullivan, The New York Times, metro/news department, 229 W. 43rd Street, New York, New York 10036. Telephone 212-556-5121; cell phone [REDACTED] email - sullivjo@nytimes.com.

I would like a copy of the entire record, but if portions need to be redacted, I would like a copy of the redacted version. If redactions are made, please provide the reasons for the redactions. If my request is denied, please provide the name of the person or agency with whom an appeal can be filed.

Thank you for your time and consideration.
