John:

We have a meeting scheduled with the consultant who helped us to revise the DFP for Thursday Oct 13. This meeting is more to understand how he revised the amounts in the DFP, and to make sure that everything has been included. I do not foresee any problems with our acceptance of the revised DFP, but I would still like to review it with Joel Antkowiak. Shortly after this meeting Ledoux & Company should be in a position to forward it on to you for your review.

Regards,  
Bruce

Mr. Peterson,

When we last spoke on September 9, 2005, you stated you were planning to discuss the revised decommissioning funding plan and financial assurance package for the licenses listed above with your consultant before submitting it to us. Please update me at your earliest convenience as to the status of this documentation and when we might expect to receive it.

Thank you.
