I'll repeat what I say every time EOC meetings are discussed. Evening meetings are almost always preferable, for the same reason it makes more sense to hold school board and town governing body officials after the sun goes down. The majority of the adult population works during the day and, if they're so inclined, will have a much greater likelihood of attending a night meeting than one held during the day.

have you asked Sherman about an evening mtg for VY....  
when was last year's  
I also think evening would be better for this plant.  
what do Diane and Neil think?

The Schedules for my public meetings is as follows:  
Pilgrim Wed. 3/24, 1 p.m. John Carver Inn - Plymouth Mass  
VY Wed. 3/31, 2 p.m. Governor Hunt House - Vernon VT  
I expect significant public interest in both of these meetings, particularly VY - power uprate issues. Your participation in these meeting is requested. Let me know if you plan on attending. I believe that Brian Holian will be attending the VY meeting. No NRC senior management is currently expected at the Pilgrim meeting.
