<p>Summary: In order to complete the termination of the license I will need the following:</p> <ol style="list-style-type: none"> <li>1. A completed NRC Form 314 signed by a member of WMH's management.</li> <li>2. Lambert about performing the close-out surveys of the facilities and she requested that I fax a copy of the Form 314. Dr. Pickering asked that I contact her on Tuesday, October 11, 2005, at which time she will have a date by which the closeout surveys would be complete. Dr. Pickering also stated her concern that Drexel still has 1 researcher that is working at the WMH (3300 Henry Avenue) site. She stated that the landlord of the building (WMCH, Inc., which is really the Commonwealth of Pennsylvania) is running out of money to maintain the facility and has threatened to seize all of the equipment in order to recoup some money.</p>		
<p>Action Required: Wait for close-out surveys and Form 314 and terminate license</p>
