Dear Mr. Ragland:

This is a response for the memo we received from you requesting additional information for our license renewal. We reviewed both of these issues at our September 27, 2005 Radiation Safety meeting. We would like to delete both of these items. We have no need for prepackaged kits nor do we use I-131 at this facility.

I hope that I have answered both of your questions sufficiently. Please feel free to contact me if further information is needed.

Thank you.

Sincerely,

Nancy B. Hillyer R.T.-R., RDMS
