Subject: Questions from Sen. Jeffords

I'm not sure how many have seen this, but this press release by Sen. Jeffords yesterday certainly got the reporters in Vermont hopping: <http://jeffords.senate.gov/~jeffords/press/04/05/052004nrc.html>
There are a number of questions in his release that we should think about drafting answers to since they're bound to come up again.
