Subject: Response to NRC Request for Additional Information
Regarding the February 2002 Order, Section B.5.b

The NRC requested additional information regarding Interim Compensatory Measure (ICM) B.5.b (Reference 2) to assist the NRC in focusing the on-site review of B.5.b, Phase 1 for Fermi 2. The requested information is attached. The amplifying information and procedures requested by Reference 2 for those questions to be used by the inspector in performing the TI and denoted as (I) were presented to the NRC Inspector during performance of TI 2515/164 (Reference 3) the week of September 6, 2005, and have not been duplicated here. There are no commitments contained in this letter.
