

The image is a screenshot of a Windows 95 desktop. The primary window is 'NRC - Matsys', which is a database application. It has a menu bar with 'File', 'Edit', 'View', 'Favorites', 'Tools', and 'Help'. The title bar shows the file path 'I:\LFMB\MatSys\MATSYS.EXE'. The main area is divided into two panes. The left pane, titled 'Single Invoice DBF', contains a form with fields for 'License #', 'Category', 'Invoice #', 'Fee Amount', 'Notes', 'Invoice Date', 'Cancel', 'Unpaid', 'Re-Invoice', and 'Date Entered'. The right pane, titled 'Matsys - Update Database', contains fields for 'Licensee Name', 'Attention', 'Mailing Address', and 'City/State/Zip'. Below these panes is a legend for navigation keys: T:Top, B:Bottom, N:Next, P:Prev, G:Goto, S:Skip, F:Find, L:Locate, D>Delete, U:Undelete, E>Edit, Q:Quit, A:Add, and R:Browse. A second window, 'Find People', is open on the right side of the screen, displaying a list of names and dates. At the bottom, a taskbar shows the 'Start' button and several open applications: 'GroupWise - Mailbox', 'WordPerfect 10 - [D...]', 'Fees', and 'I:\LFMB\MatSys\'. The system clock in the bottom right corner shows '11:52 AM'.
