<p>Summary: Per discussion this morning with Penny and Betsy Ullrich, licensee must either remove 401 Haddon Avenue location from license (including decommissioning, as appropriate), add (at least minimal) research uses to license, or change building to "standby" status. Penny and I called Ed to review timeframe of plans for future research uses and to discuss these options. Ed said he has just learned of a proposed researcher for early next year. He asked if he should request to amend license after renewal is issued. We asked Ed if it is feasible to include this in renewal. He agreed to try to submit required info for research uses by Friday, Oct. 21.</p>		
<p>Action Required: Await response from licensee</p>
