**Subject:** Catchment Basin Excavation - Docket 40-8584

Stephen Cohen:

Kennecott Uranium Company is hereby providing the required ninety (90) day notice of intent to commence excavation of the contaminated soils around the Catchment Basin at the Sweetwater Uranium Project. Kennecott Uranium Company has completed a set of Standard Operating Procedures for the work. Kennecott Uranium Company understands that this notification in no way obligates the company to commence excavation ninety (90) days after this notice is provided and that excavation may commence anytime after ninety (90) days after the date of this notice.

Kennecott Uranium Company is in the process of selecting an excavation contractor and will be conducting a pre-bid meeting at the Sweetwater Uranium Project on Tuesday, October 11, 2005. Kennecott Uranium Company will inform you as to the actual date that work will commence and provide an approximate work schedule after a contract has been executed.

If you have any questions please do not hesitate to contact me.

Sincerely yours,

Oscar Paulson  
Facility Supervisor
