Regarding clarification of one item, in letter of response (received September 29, 2005) to telephone deficiency dated September 22, 2005. Regarding Item 2. e., Ms. White clarified that the only licensed material (sealed or unsealed) ever received/stored at the licensee's facility located at 201 West Broadway, Osseo, Minnesota, was in a licensee mobile van, which was parked, when needed, on the parking lot, but no patient use ever occurred at this location.
