Ronda,

A WordPerfect version of the entire 10/12/05 letter is attached.

Steve Jones is out today but Jim Tatum is here. I left a note on his desk asking if he is available for a call. will let you know when he gets back to me.

thanks,

Rick

Ronda,

As you requested, I have arranged for a conference call on Monday 10/17 at 8:30 am to discuss proposed license condition 3.M, "Potential Adverse Flow Effects."

The bridge number for the call is 1-800-638-8081, passcode 6153#.

Note, I have reserved 9 lines total. The NRC will need 3 lines since Tom Scarbrough and John Wu will be calling in from home. Please let me know if Entergy needs more than 6 lines.

Also, if the intent of the call is to also discuss proposed license conditions 3.K and 3.L let me know ASAP since I will need to coordinate with SRXB and SPLB staff.

thanks,

Rick
