Attached is a revision to the Advanced Notification of Export Shipment (DLN:03:083) for the movement of SNM to Korea that I sent to you by fax and by mail on 9/15/03. The shipment of SNM will be departing Oakland, CA for Korea on October 9th and will be sailing on the "Hanjin Beijing". The material is going under export license XSNM03273.

In addition, there will now be 70 ANF-250 shipping containers as compared to the earlier declaration of 66 containers. There is a corresponding increase in the SNM being shipped, as described in my letter. A copy of this letter will be mailed to you today.

Should you have any questions, please feel free to give me a call.
