Subject: **Clarification to RAI regarding Fuel Storage Building
Single-Failure-Proof Gantry Crane**

Reference: 1. Entergy letter dated April 12, 2005, "Reply to RAI regarding Amendment
Application for Fuel Storage Building Gantry Crane" (NL-05-030)

Dear Sir/Madam:

Entergy Nuclear Operations (Entergy), Inc. is providing a clarification to the referenced response to the NRC request for additional information (RAI) regarding the proposed license amendment request for new Fuel Storage Building Single-Failure-Proof Gantry Crane for Indian Point Unit 2. The purpose of this clarification is to remove the first two sentences of the second paragraph from Reference 1 (Attachment 1 to NL-05-030, Question 2 Response), and replace with the following:

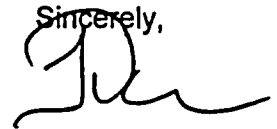

The new Gantry Crane movements are controlled by a series of limit and proximity switches. The protection provided by these switches is as follows:

There are no new commitments identified in this submittal. If you have any questions regarding this matter, please contact Mr. Patric Conroy, Manager, Licensing at (914) 734-6668.

A001

I declare under penalty of perjury that the foregoing is true and correct. Executed on the 21st day of September, 2005.

Sincerely,

Fred R. Dacimo
