Date: 10/14/2005
AEP Corp. Communications

Subject: D.C. Cook Site Vice President for Site Support Services Named

Discussion:

On October 14, 2005, AEP announced that Mark Peifer has been named as Vice President of Site Support Services. Mr. Peifer will oversee Training, Business Services, Security and Emergency Planning, Material Management, Information Technology, Procedures, and Nuclear Document Management. Mr. Peifer came from Nuclear Management Company where he formerly was the Site Vice President at Duane Arnold. He also held managerial and executive positions with the Institute of Nuclear Power Operations.
