Dear Mr. Lawyer:

The following is the additional information requested in your e-mail dated September 26, 2005.

1. All radioactive material (both stock solutions and waste) was disposed of on August 23, 2005. Bionomics, Inc. (Tennessee agreement state license number R-73021-E10) of Kingston, Tennessee transported the material to Duratek, Inc. (Tennessee state license number R-73008-C14) for incineration. Receipt proof of this transfer is included as ATTACHMENT A.
2. Fume hoods were not used for any licensed activities.
3. Licensed activities ceased at 1457 Miller Store Road on August 23, 2005.
4. The total square footage of licensed material usage was 1145sqft.
5. The building type was general office and laboratory.
6. The area surrounding this building was utilized by a mix of light industrial and commercial concerns.
7. Laboratory procedures, typically tissue uptake and binding assays were performed on bench tops only. No volatile radiochemicals were utilized.
8. The name of the facility at 1457 Miller Store Road was LifeNet Research and Development at LifeNet on Miller Store Road.

Dear Valued Customer,

As required by 10 CFR Part 20 (Appendix G), this letter is notification that Duratek has received the shipment recently picked up at your facility on **August 23, 2005**. Attached you will find a copy of your NRC Form 540, the only change from the original is in Item No. 9 "*signature*" which identifies that Duratek is acknowledging receipt of waste from your facility.

Please keep this with your original, as well as future disposal certifications.

If you have any questions please feel free to contact me at (865) 220-8501.

Sincerely,

Mia Hammonds, Adm. Assistant
