RE: CONTROL # 137725 / LICENSE # 37-28503-01 03031643

Dear Mr. Lodhi:

As per our recent conversation, this letter is to note that I will maintain a log detailing the date of use for my TROXLER gauge, location where the gauge was used and date when returned to my storage facility.

With hopes that this will satisfy your needs, I thank you for your direction and help in my renewal process.

Best Regards,

William F. O'Donnell
