SUBJECT: EXELON POWERLABS, LLC, VOIDANCE OF REQUEST FOR LICENSE
AMENDMENT, CONTROL NOS. 137559 AND 137560

Dear Mr. Cebular:

This concerns your request dated August 25, 2005, for an Amendment to your material license. Your request did not include all of the required information to process your request. Additionally, the amount of financial assurance for the decommissioning of your facilities that you provided was less than the amount specified in 10 CFR 30.35(d).

I explained these deficiencies in your request to Mr. John Moore of your staff when he visited Region I Office on October 21, 2005, and he agreed to submit a revised request with updated financial assurance documents. Pursuant to my discussion with Mr. Moore, we have voided your request. The originals of your financial assurance documents are being mailed to you under a separate cover. This action is taken without prejudice to the resubmission of your request.

Please feel free to contact me at (610) 337 5364 if you have any questions in this matter.

Sincerely,

Original signed by Sattar Lodhi, Ph.D.
