<p>Name of Licensee: Rider University</p> <p>Name of Participant(s): John Widomski, Radiation Safety Officer of Perkin Elmer Steven Courtemanche, Health Physicist NRC</p> <p>Telephone No. 203-402-5219 610-337-5075</p> <p>Subject: Information regarding GC in Rider University's possession. (NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary:</p> <p style="margin-left: 40px;">I spoke with Mr. Widomski about a gas chromatograph which was distributed to Rider University. I asked him whether he remembered anything about the ECD or heard anything from the licensee or NRD for disposal. He stated that the type of ECD distributed to Rider was definitely a specific item but that he had not heard from the licensee or NRD regarding the disposal of the ECD distributed to Rider University. The ECDs were last distributed in the mid-1980's. He would check his records and get back to me to confirm the above.</p> <p style="margin-left: 40px;">Mr. Widomski called back to inform me that there was no record pertaining to the proper disposal of the ECD distributed to Rider University.</p> <p style="margin-left: 40px;">10/18/2005 10:30 I left a message for Kelly Bidle, Ph.D., Radiation Safety Officer for Rider University. The message stated that after consultation with management, it was decided to remove the line item for the ECD from the license. It was determined from the 2005 inspection that the ECD was disposed of properly but that the licensee failed to maintain records of the disposal. A note would be included in the cover letter about the need to maintain all records pertaining to the disposal of licensed material.</p>
