Subject: FOIA Request for Westinghouse Letters

FOIA/PA REQUEST
Case No.: 2006-0014
Date Rec'd: 10-25-05
Specialist: Brown
Related Case:

I want to request two documents be made available per a Freedom of Information Request.

Westinghouse letter NS-CE-1352 (proposing an alternate method of compliance with Regulatory Guide 1.54) dated 2/1/1977 to Mr. C. J. Heltemes, Jr., Quality Assurance Branch, NRC from Mr. C. Eicheldinger, Westinghouse PWRSD, Nuclear Safety Department.

NRC letter (accepting response) dated 4/27/1977 to Mr. C. Eicheldinger from Mr. C. J. Heltemes, Jr.

The above two letters are referenced on page 149 of 224 in TR00170-003 Rev 0, which is attached to SCE&G letter RC-03-0112 (dated 6/12/2003) -- ADAMS ML031681125.

The above Westinghouse letter and its NRC acceptance are also mentioned in Section 6.1.2 of the BVPS-2 SER.
