Re: Amendment Request for License No. 37-01665-01
Docket No: 03006021

2005 OCT 11 12:53

RECEIVED

Dear Mr. Lawyer:

I am requesting an amendment to our NRC License of Broad Scope to add a condition of possession limits. We request that the following condition be added to the license:

"In addition to the possession limits in item 8, the licensee shall further restrict the possession of unsealed byproduct material to quantities less than 10^5 of the applicable limits in Appendix B of 10 CFR Part 30, as specified in 10 CFR 30.35 (d)." We will have procedures in place to ensure that the above license condition will not be exceeded.

Sincerely,

Alan M. Rothman
Radiation Safety Officer
Spring House Technical Center
Rohm and Haas Company

Approved By:

David E. Greenley, Ph.D.
Director of Technology Operations
Spring House Technical Center
