<b>TELEPHONE CONVERSATION RECORD</b>		Time: 09:10
Mail Control or Report No(s).	137649	License No(s). 45-09347-01
		Docket No(s). 030-06583
<p>Name of Licensee: Commonwealth of Virginia</p> <p>Name of Participant(s): Eileen Sanders, RSO Steven R. Courtemanche, Health Physicist NRC</p> <p>Telephone No. 804-648-4480 Ext. 383 610-337-5075</p> <p>Subject: Identification of sealed source model numbers. (NOTE: This will be used as the Documents Title in ADAMS)</p>		
<p>Summary: I left a message with Ms. Sanders for her to call me back about the licensing amendment.</p> <p>10:10 Ms. Sanders returned my call. I spoke with her about the October 14, 2005 letter she submitted in response to my Request for Information. I informed her that I had no further questions concerning the qualifications of Peixue Ma, Ph.D. I had spoken with the Radiation Safety Officer at Analytics, Inc. Who stated that all of the licensed material that they distributed to the Commonwealth of Virginia was possessed under Item 6.C. of the license. None of the licensed material was considered a sealed source and therefore a Sealed Source Registration Sheet was not required. Also, I had spoken with the Radiation Safety Officer of Isotope Products. He indicated that the source numbers that you provided were serial numbers for the sealed sources. He would have to check his records and determine the model numbers for the Americium-241 sources. I requested that Ms. Sanders reexamine the licensee's records to determine if she could identify the sealed source model numbers and if not, we would have to wait for the manufacturer's search to be completed.</p>
