Subject: Meeting Notice for 7/22 steam dryer meeting

#17

Donna,

Attached is a meeting notice we issued today for a 7/22 meeting to discuss the Vermont Yankee steam dryer analysis. It should be added to the VY web page (accession no. ML041670266). Note, it was profiled in ADAMS for immediate release so it can be added right away.

Also, we should consider notifying various stakeholders next week. Entergy and Bill Sherman already have copies. At the 3/31 meeting, one person was concerned that the people from the neighboring states of New Hampshire and Massachusetts weren't specifically invited.

Thanks,

Rick
