Neil,

Bill Sherman left me a voicemail (he also talked to Dave Pelton this morning). Bill said the State would be requesting a hearing before close of business today. They will have 5 contentions related to the containment overpressure issue.

I would guess that I wouldn't get a copy until tomorrow. Will let Comm Team know when we get this or any other hearing requests.

Thanks,

Rick

Rick,

The Brattleboro Reformer just called to find if we have received any VY uprate hearing requests yet. Today is the deadline. Any filings thus far?

Neil
