ADM002

The purpose of this modification is to: (1) exercise option year three of the contract in accordance with Subsection C.7, Federal Acquisition Regulation Clause 52-217-9, entitled, "Option to Extend the Term of the Contract," and Subsection B.6, entitled, "Duration of Contract Period," thereby extending the contract period of performance through September 29, 2006. This modification hereby incorporates by reference, the September 13, 2005, e-mail from Lorraine Carter, President, Caption Reporters, Inc., (CR), in which CR waived its right to the 60-day preliminary written notification of the Governments intent to exercise this option. As a result of this action, the ceiling amount of the contract is hereby increased by \$64,800.00 from \$194,400.00 to \$259,200.00, and (2) provide for an administrative change which incorporates Federal Acquisition Regulation Clause 52,232-19, "Availability of Funds for the Next Fiscal Year."

Accordingly, the contract is hereby modified as follows:

1. Under Subsection B.3, Consideration and Obligation-Delivery Orders, the first sentence of Paragraph a is deleted in its entirety and substituted with the following in lieu thereof:

"(a) The total estimated amount of this contract (ceiling) for the products/services, ordered, delivered and accepted under this contract is \$259,200.00."

2. Subsection B.6, Duration of Contract Period, is deleted in its entirety and substituted with the following in lieu thereof:

**"B.6 DURATION OF CONTRACT PERIOD**

The ordering period for this contract shall commence on September 30, 2002, and will expire on September 29, 2006. Any orders issued during this period shall be completed within the time specified in the order, unless otherwise specified herein. (See 52.216-18). There are no options periods remaining under this contract."

3. Incorporate the Following FAR Clauses under Section C, entitled, "Contract Clauses."

**52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR**

"Funds are not presently available for performance under this contract beyond September 29, 2006. The Governments's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No. Legal liability of the part of the Government for any payment may arise for performance under this contract beyond September 29, 2006, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer."

A summary of obligations for this contract from the date of award through the date of this action is given below:

Total FY'03 Obligation Amount .....	\$13,000.00
