Oscar:

Regarding our conversation of 7/13/05, I do not believe that we will need a license amendment for lining the lagoons on the tailings impoundment and dewatering the tailings. However, I do believe that we will need a license amendment, if you were to add a liner atop the consolidated tailings and add additional tailings. We may be able to CATEX the action. I should have a more definitive answer for both the lined lagoons and the consolidated tailings liner on Tuesday.

Please call if you have any questions,

Steve
