Name of Licensee: St. Mary's Hospital Name of Participant(s): Michelle Simmons, Stu Korchin Telephone No. 203-494-2852 Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small> Sealed Sources permitted by 10 CFR 35.500		
Summary: I spoke with Stu Korchin, consultant, and he stated that at the present time, St. Mary's Hospital does not possess any sealed sources under 35.500. It was initially placed on the license for the purpose of attenuation sources but those sources were never acquired. Also, St. Mary's Hospital wishes the keep the authorization of 35.500 on the license. I informed Mr Korchin that it is necessary to provide manufacturer/model #/possession limit in order to retain the 35.500 authorization. Mr. Korchin agreed to remove 35.500 from the licensees license.		
Action Required: Removal of 35.500 from the licensees license.
