MEMORANDUM TO: Michael T. Lesar, Chief  
Rules and Directives Branch  
Division of Administrative Services  
Office of Administration

FROM: Scott W. Moore, Chief **/RA/**  
Rulemaking and Guidance Branch  
Division of Industrial and  
Medical Nuclear Safety, NMSS

SUBJECT: ERRATA NUREG 1556, VOLUME 9 "PROGRAM-SPECIFIC  
GUIDANCE ABOUT MEDICAL USE LICENSES," REVISION 1

Please publish the enclosed errata to NUREG 1556, Volume 9 "Program-Specific Guidance About Medical Use Licenses", Revision 1 (Rev.1).

Rev.1 was published in May 2005, to provide conforming guidance to the final training and experience (T&E) rule in Part 35. It was, however, published without a sample medical broad scope license because of unresolved issues related to the broad authorizations for material use for this type of license. The errata replaces page F1 of Appendix F (Appendix F contains sample medical licenses) and includes a discussion about the broad scope licenses and adds a sample medical broad scope license by adding pages F24 through F28 to Appendix F.

The Office of the General Counsel has no legal objection to the errata.

Enclosure:  
ERRATA to NUREG 1556, Vol.9, Rev.1
