1.     A.     Concerning licensed material and activities on License No. 48-09484-01 being transferred to License No. 05-01399-08, describe the status of the surveillance program (i.e., surveys, wipe tests, quality control) at the present time and the expected status at the time that control is to be transferred.
  - i.       Description of the status of the surveillance program.
  - ii.      Surveillance Items & Records: calibrations, leak tests, surveys, inventories, and accountability requirements will be current at the time of transfer.  
  
          [   ] Yes                   [   ] No (explain)
- B.     Confirm that all records concerning the safe and effective decommissioning of the facility will be transferred to License No. 05-01399-08, as appropriate. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity.
2.     Please clarify if by adding the licensed material identified on License No. 48-09484-01, will cause your financial assurance amounts to increase from what is already authorized in License Conditions 24.A. and B. Of License No. 05-01399-08.
