Route 65, Big Branch Road
Naugatuck, WV 25685

SUBJECT: SOUTHERN WEST VIRGINIA RESOURCES, LLC, REQUEST FOR
ADDITIONAL INFORMATION CONCERNING APPLICATION FOR
AMENDMENT TO LICENSE, CONTROL NO. 137898

Dear Mr. Baldwin:

This is in reference to your letter dated September 1, 2005 requesting to amend Nuclear Regulatory Commission License No. 47-25168-01. In order to continue our review, we need the following additional information:

Please provide a telephone number, facsimile number and business electronic mail address for Mr. Marvin Daniels, your Radiation Safety Officer.

Your letter dated September 1, 2005 requests that Daniel Quisenberry, David Brafford, David Hancock or Garrell Hamner be named on your license as an alternate Radiation Safety Officers (RSO). The NRC does not recognize alternate or assistant RSOs. The individual listed on an NRC license as the RSO is the individual responsible for overseeing the radiation safety program. However, the RSO may delegate certain tasks to other qualified individuals. The RSO must confirm that those delegated tasks were performed as required and in compliance with NRC regulations and your NRC license.

Current NRC regulations and guidance are included on the NRC's website at www.nrc.gov; select **Nuclear Materials; Medical, industrial, and academic uses of nuclear material**; then **toolkit index page**. Or you may obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-888-293-6498. The GPO is open from 7:00 a.m. to 9:00 p.m. EST, Monday through Friday (except Federal holidays).

We will continue our review upon receipt of this information. Please reply to my attention at the Region I Office and refer to Mail Control No. 137898. If you have any technical questions regarding this deficiency letter, please call me at (610) 337-5251.

R. Baldwin
Southern West Virginia Resources, LLC
