Subject: HR Website Update & Copy of Updated Contract to New Employees

Angela Bolduc,

While the agency prints copies of the new contract for employees per CBA, Article 10.5, NTEU suggests:

1) New employees be provided the April 1, 2005 revised seven articles along with the outdated version of the Collective Bargaining Agreement, and

2) Replace the CBA, outdated HR link:

<http://www.internal.nrc.gov/HR/pdf/agreement2001.pdf>

with the Unions up-to-date link:

<http://www.nteu208.org/cba2005.htm>

until the agency has the opportunity to update their website to the correct version of the Collective Bargaining Agreement.

Thank you in advance for considering these suggestions.

---Dale Yeilding, NTEU Chapter 208 President

PS: I will hand carry to you a nice/clean seven article package to reproduce for new employees. My last five orientations seemed a tad uncomfortable briefing new employees on their outdated contract.
