Subject: Qs and As on PSB letter response

I would like to add the Qs and As from the rollout plan to the external webpage. I know we have all looked at these many times for inclusion in the rollout plan. I would like us all to take another look at it, with the understanding that they will now be publicly available on the webpage, to see if there is anything that should be worded differently. I plan to send a request to put this on the web tomorrow, so please send any comments by noon tomorrow (Thursday).

Thanks,
Donna
