Subject: No VY Comm Team meeting this week

Because I will be participating in an exercise in the Ops Center tomorrow, and Allen Howe will be out, I have decided not to hold a VY Comm Team meeting this week. The status of significant VY issues is listed below:

1. briefing of the PSB: scheduled for June 28. Slides should be developed by June 15. Dry runs are scheduled for June 22 and 24.
2. Briefing of the Vermont State Senate: a briefing was proposed by the staff of Senator Jeffords, to be held in conjunction with the briefing of the PSB. A decision has not been made whether the staff will brief the Senate.
3. Correspondence: a listing of the current status of all correspondence is attached. Significant pieces of correspondence to be issued this week are the letter to Dave Lochbaum and the letter to Bill Sherman. We have requested an extension of the letter to Paul Blanch to June 21 to allow time for Commission review.
