For the PSB meeting the presenters will be:

Power uprate process - Bill Ruland (slides would be similar to those prepared for the March 31, 2004 public meeting)

NRC's engineering inspection - Stu Richards (slides need to be developed)

Regional Perspective - Brian Holian (slides need to be developed)

Milestones:

SLIDES:

Please send your slides to Rick Ennis and me by COB 6/15. Plan on about a 10+/- minute presentation.

SCRIPTS:

Based on the recommendation from Bill Borchardt, the scripts should be forwarded to the OEDO by 6/21. So Rick and I would need them by 10 am that day.

DRY RUNS:

Dry run for 6/22 in room O7B4 @ 10:30 am to 1 pm

Dry run for 6/24 in room O9B4 @ 9am to 11:30 am

Thanks - Allen
