Reference: Settlement Agreement – Item 6

Dear Mr. Collins,

Item 6 of our Settlement Agreement requires that we develop a plan for orderly shutdown of our licensed activities at our Bloomsburg site and submit such plan to you by March 31, 2006. Further, we are required to submit quarterly progress reports beginning on September 30, 2005.

We missed the initial required reporting date and ask that you accept this letter as fulfillment of that obligation. To date, we have had a series of internal discussions concerning how best to put together this plan and are considering the hiring of an independent contractor to aid in the development of this plan. No independent contractors have yet been contacted.

We will provide you with another progress report on December 31, 2005.

Please contact me if you have any questions.

Regards,

William E. Lynch Jr.
Vice President
