Subject: press release re: VY engineering inspection

I don't see a problem given the parameters noted

VY Comm Team:

OPA-RGI has been receiving questions from reporters on the names of the inspection team members. We originally planned to issue the press release with these names on Friday afternoon, Aug. 6.

However, in the interest of being responsive to the public, does anyone see a problem with issuing the press release (after fulfilling our commitments to the congressional delegation and the state, of course) earlier in the week?

OPA is working on finalizing the press release and should have it ready for routing on Monday.
