Dear Ms. Henderson:

This is to inform you of the resignation of Dr. Niel Wald as the Chair of the University of Pittsburgh's Radiation Safety Committee. Dr. Wald has served in this capacity for 47 years, which is surely an all-time record in the annals of NRC licensing.

Mr. Dennis Swanson has been appointed as the Acting-Chair until the next quarterly meeting of the Radiation Safety Committee. If approved by the full committee, Mr. Swanson will assume the roll as Chair, although he has assured me that he will not attempt to exceed Dr. Wald's tenure in the position.

Mr. Swanson's mailing address is:

Sincerely,

Jerry Rosen
