

Telephone Call from Allèger for RI-2002-A-0113

The individual called 8/29/03 at 8:30 a.m. to check on the status of [] pending concern and is asserting that [] has a new issue and separate issue to give us.

Individual received [] performance appraisal on 8/28/03 and was rated as "unsat". The individual is concerned that [] could be terminated shortly.

The individual stated that [] supervisor documented the reason [] was receiving an "unsat" was because the individual refused to do work assignments given [] by [] supervisor. The individual stated that [] has not refused work assignments - but that because of the medication [] is taking (since [] raised [] concern to us on August 23, 2002) there are limitations as to what [] can do [] stated that [] definitely is not allowed to drive) and it is also documented that [] is not supposed to work on safety-related assignments. Ex 7c

The individual stated that [] taking this med is documented with the medical department at PSEG and that the medical department is aware of the limitations so [] does not believe that [] supervisor should be able to give [] an "unsat" and state the reason for the "unsat" as being refusal to do work assignments when the effects of the medication do not allow [] to perform certain work assignments.

The individual will be sending in documentation [] has regarding this issue.
