Subject: Allegor RE: RI-2002-A-0113/ [REDACTED]

Dave,

I spoke to the allegor last night. [REDACTED] initially stated that [REDACTED] desired to use the licensee's employee concerns program (ECP) to resolve [REDACTED] issue. [REDACTED] has already been interviewed by the ECP and is waiting for their feedback. When [REDACTED] initially reported the issue to the Sr. Res. Insp. (SCHOPPY) [REDACTED] was unaware that it would go this far (to OI). I explained that SCHOPPY really had no other choice and was obligated to follow the NRC process.

The allegor had a number of questions about the allegations process that I thought you could better address. I provided [REDACTED] with your phone number and [REDACTED] may call you tomorrow (9/13/02). Bottom line is that [REDACTED] did not desire to be interviewed at this time and wanted to wait for the ECP to respond to [REDACTED] issue. [REDACTED] indicated that [REDACTED] was not satisfied with the ECP response, [REDACTED] may want to follow through with the allegation.

I'm willing to sit in on the call. I'll be in the office all day Friday.

Thanks,

Bob Rzepka
