I'll try to drop by. surely there is some generic way to acknowledge receipt without chewing up staff time.

Eliot/Scott:

Please join us in helping develop a resolution to the numerous e-mails that folks in NRR are receiving from public advocates on Vermont Yankee. The subject matter of the e-mails ranges from the proposed power uprate to the fuel issue.

 We have scheduled a brainstorming session to begin the process at 1 pm tomorrow in Room 7B6. It will NOT run more than an hour. Please join us. Many thanks.
