NRR/OD & ET SIGNIFICANT TOPICS - CURRENT AND EMERGENT

(August 2004)

The contents of this document are intended to be an internal, informal collection of significant topics, current and emergent, identified by ET members for their use as a source document to provide recent data on the topics covered within. It may not contain the most up-to-date data, but should provide status information current within the last month. The date at the beginning of each subject provides the date the subject was last updated.
