Subject: Quick Comm Team meeting Today 2pm

Folks -

We are rapidly completing the response to the PSB - to be signed by the Chairman tomorrow!!!

Today at 2 pm, we need to quickly agree on the roll out steps for this response.

I have a bridge with only 4 lines so headquarters folks should meet in my office, O8D4, for the meeting.

Bridge #'s 301-231-5539 or 1-800-638-8081 passcode = 

Sorry for the short notice.

Thanks - Allen
