Subject: Re: Fwd: Communication Plan for Vermont Yankee engineering inspection

Larry asked me to forward the attached communications plan to the contractors.

Please note that additional communications information and reference documents are located at the following link:

<http://www.nrc.gov/reactors/plant-specific-items/vermont-yankee-issues.html>

FYI

Attached is the comm plan for the VY engineering team inspection. It has some Qs & As. Your assistance is requested to add to the list of Qs as you think of them. Regional or HQ staff will provide the answers.

New Qs might be why did we select the components we did, and do they fall into the categories we previously told external stakeholders that we would cover.

Regards

Larry
