Dear Dr. Salacata:

Enclosed is Amendment No. 2 amending your NRC Material License No. 21-32511-01 in accordance with your request. Please note that the changes made to your license are printed in **bold** font.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please note, we have not added Dr. Corpus as an authorized user at this time, because we need additional information regarding his training and experience as described in the enclosed memo. If you wish to pursue this matter, please resubmit your request as additional information to mail control 314776.

Also note, we have added license condition 14 concerning the transportation of license materials in accordance with 10 CFR Part 71.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>. The enclosed license document is exempt from public disclosure in accordance with 10 CFR 2.390, because its disclosure to unauthorized individuals could present a security vulnerability."

Sincerely,

William P. Reichhold
