Subject: Re: NRC Docket No. 50-271

FYI

Attached in MsWord is the meat of what New England Coalition filed in NRC Docket 50-271, mailed yesterday 8/30/04 to the NRC. Hardcopy was posted to Entergy, Shaw-Pittman, Mr. Roisman, and the DPS at the same time. I have included in the attachments just two of seven representative members "standing" declarations (as samples). I have also included a declaration from our clerk as we sought to represent the organization(NEC) interest apart from the interest of our membership. For some reason the file for yesterday's cover letter to NRC would not open in this e-mail program. It is copied and pasted below.

Thanks,

Ray
