Subject: Renewal of Export License XSOU8716, Amendment No. 4

Dear Ms. Doane,

The Export License mentioned above will expire on December 31, 2005. Janice Owens has been most helpful in assisting me with the renewal process outlined in Title 10 CFR 110.51. Please consider this a formal request to renew this license as Amendment No. 5. I would like to request an extension for an additional four years of license eligibility, making the new expiration date December 31, 2009, upon agreement between EURATOM and the U.S.

Enclosed please find the fee of \$300.00 for the amendment as we discussed. Thank you, in advance for your consideration in this matter and feel free to call me if you have any questions or concerns.

Sincerely,

A handwritten signature in dark ink, appearing to read "Michael A. Phillips", is written over the word "Sincerely,".
